THE ULTIMATE REEF EXPERIENCE

Tusa Reef Tours isn't your ordinary reef trip. It's a unique chance to immerse yourself in the wonders of the Great Barrier Reef - an experience enhanced by our local knowledge, innovative technology and responsible operational decisions that respect the environment.

From the moment you join us onboard, every aspect of your day is taken care of. Our knowledgeable staff are there to guide you and provide a 5-star experience.

CARING FOR OUR PRECIOUS REEF

Through our ongoing research contributions, carbon emissions offsets with local reforestation projects, and commitment to educate and inspire, we aim to make a big impression with a small footprint.

We ask that you respect the reef at all times and follow crew instructions to ensure your safety and that of the marine life within the delicate eco system.

YOUR ALL-INCLUSIVE DAY ON THE REEF

Tusa Reef Tours premium all-inclusive day trip is designed to provide you with a 5-star service like no other. Immerse yourself in the stunning underwater world of the Great Barrier Reef, guided by our expert team of marine guides and instructors.

With a maximum of just 40 guests per trip and a high staff to guest ratio, we are here to take care of everything while you create unforgettable memories. Whether you are an experienced diver or looking to try it for the first time, our team will help you get the most out of your day, safely and sustainably.

All guests get to enjoy unlimited snorkelling throughout the day, delicious snacks, sumptuous meals and complimentary beverages.*

DISCOVER THE REEF YOUR WAY

With two different reef sites to explore, choose to experience the thrill of scuba diving or a leisurely snorkel in the warm tropical waters with one of our Marine Guides. Prefer to do several shorter dives, or one longer one? The choice is yours! Our 'open dive deck' policy allows you to plan the dives of your choice, with up to three dives available over the day. Dive with your buddy or be guided by one of our highly experienced PADI instructors, considered amongst the best in Australia for their local knowledge and passion for the reef.

Our purpose built dive vessel is equipped with the best dive gear, including the very latest in sustainable plant-based wetsuits.

A PERSONAL EXPERIENCE

With low guest numbers, our premium day tour allows for greater interaction with our Marine Guides and PADI dive instructors throughout the day.

Whether this is your first time snorkelling, or you're a seasoned diver, our crew will be on hand to share their local knowledge, offer assistance and advice, and ensure you get the very most out of your day exploring the Great Barrier Reef.

SIGHTS, SOUNDS & TECHNOLOGY

Using cutting-edge technology you will be able to learn about the reef above and below the water.

Our waterproof bone conduction headsets, unique to Tusa Reef Tours, enable you to listen to our tailored audio commentary with crystal-clarity as you gaze below the surface and we take you on a journey of discovery across the reef.

A TASTE OF THE FINEST LOCAL FLAVOURS

Onboard Tusa Reef Tours, we take pride in serving our guests with an exceptional culinary experience, carefully crafted by our in-house chefs using only the freshest and finest locally sourced ingredients. Our menu is complemented with a selection of premium wines, beers, as well as quality percolated coffee, premium tea blends, hot chocolate, chilled still water and refreshing fresh juices.

* Guests are not allowed to re-enter the water after the consumption of any alcoholic beverages.

MEDICAL & ALTITUDE INFO

All introductory scuba participants must meet medical questionnaire requirements and some conditions or medications may prevent you from diving.

Queensland's code of practice on diving states that for a single no decompression dive, you should not fly/go to altitude for at least 12 hours, or 24 hours if divers have had multiple dives per day for several consecutive days, or have made dives that require decompression stops. Altitude is defined as 300m/1000ft above sea level. This includes going to the Atherton Tablelands (a popular local scenic attraction), so please be aware if booking tours to follow your dive trip. Under normal circumstances, you should be out of the water from your last dive of the day at 2:30 pm.
