THE GREAT BARRIER REEF

FIVE STAR TRAINING CENTRE

PADI
ECO
CENTER

divers den

Whether you're a total beginner, a newly certified scuba diver, or you're looking to move up through the advanced and professional levels of recreational diving, we have a PADI course to suit you.

And there's no better place to get your diving certification than with Australia's leading training centre, based at Cairns, gateway to the Great Barrier Reef.

Here at Divers Den in Cairns we teach scuba diving at all levels, from kids' programs and basic Open Water certification, to advanced courses, specialties and professional development (becoming a scuba instructor). We're proud to be a PADI Career development centre and have certified more than 150,000 divers right here on the Great Barrier Reef.

Our pool is purpose built for scuba training, with two shallow areas and a 3m deep section – it's the only covered and heated pool of its type in Cairns. There are also four air-conditioned classrooms with free WiFi.

Following your theory and pool seasons, join either a day trip or overnight liveaboard to the outer Great Barrier Reef to complete your course. We offer a wide range of options to suit all.

PADI OPEN WATER COURSE

5 Day, 2 Night PADI Open Water Course

DIVERS DEN'S MOST POPULAR OPEN WATER COURSE OPTION

The first step in learning to scuba dive is the PADI Open Water Diver course, the world's most recognised scuba diving qualification.

The most popular of our dive courses, this five-day two-night course begins with two days at our Cairns dive centre, learning theory and practising your scuba skills in our heated training pool. The last three days of the course will be conducted on the outer reef aboard our liveboard vessel OceanQuest, where you will spend 2 nights staying on the Great Barrier Reef.

On the reef, you will complete 4 training dives with your instructor, followed by up to 5 fun dives. Plus, you can use your fifth day to add on any courses like PADI Adventure Diver and PADI Enriched Air Nitrox Course.

Between dives you will have time to relax on the sun deck and chat with other divers. Meals are included and prepared by our talented on-board chefs.

Staying onboard OceanQuest also means you'll take part in our Sharks in the Dark experience and have the chance to do a night dive on the Great Barrier Reef!

WHAT'S INCLUDED

Our liveboard vessel OceanQuest will be your floating hotel on the reef

WHAT IS THE PADI OPEN WATER COURSE?

The first step in learning to scuba dive is the PADI Open Water Diver course. Our basic Open Water Diver course takes four days, with two days of classroom and pool time, and two days at sea. The course is divided into three parts: learning the theory, practising your scuba skills in our pool, and finally diving in open water on the Great Barrier Reef. Scan the QR code opposite and our Course Director will talk you through what is involved, prerequisites, what you will learn and why you should choose to learn with Divers Den.

MORE OPEN WATER COURSE OPTIONS

4 Day PADI Open Water Course (2x Day Trips)

Want to get certified, but need your evenings free? Plan your dive course around your holiday, not the other way around! An affordable option for those wanting to get their Open Water on the Great Barrier Reef.

\$945_{pp}

Prices quoted are per person & include all taxes and levies

WHAT'S THE DIFFERENCE?

- You'll do your Great Barrier Reef experience onboard our AquaQuest vessel across two day trips.
- Course can be split over two weekends for those who need weekdays free!

4 Day, 1 Night PADI Open Water Course

Complete your training with our world-class instructors, and a one night stay on the Reef onboard OceanQuest. Perfect for those who want to be certified, and have a liveaboard experience, but are tight on time!

Double Room
\$1,570_{pp}

Prices quoted are per person & include all taxes and levies

WHAT'S THE DIFFERENCE?

- Our standard 5 Day 2 Night Open Water course does not include the Adventure Course, but the Eco version does!
- The Aware portion of our Eco course goes directly to PADI ocean conservation projects.

6 Day, 3 Night PADI Open Water & Advanced Course

Get your Open Water and Advanced Open Water certification in one unforgettable course, including three nights on the reef. With nine training dives and five fun dives, this course sets you up well for more adventures in diving, and opens the door for going pro in the future!

Twin Room
\$1,695_{pp}

Double Room
\$1,755_{pp}

Prices quoted are per person & include all taxes and levies

WHAT'S THE DIFFERENCE?

- Spend an extra night on the reef onboard our liveaboard vessel.
- With your Advanced Open Water certification, you'll be qualified to explore depths up to 30m!
- Don't be put off by the word 'advanced' - it just means more time and training with your instructor to be a better diver!

All PADI Open Water Diver course include: 2 days pool and theory training at our dive centre, 4 Open Water training dives on the reef, all scuba diving equipment, PADI Open Water Qualification Certificate and PADI Open Water Certification e-Card.

All courses that have a liveaboard component include: Sharks in the Dark experience and all meals & selected drinks.

MAKE IT ECO!

By choosing Divers Den's Eco Open Water course, you'll take part in the PADI Aware Specialty Course during your Open Water training. The PADI Aware Specialty Course teaches divers how to understand and recognize the key ocean threats, take responsible underwater images and build a conservation-focused media presence, develop an action plan for ocean conservation and marine animal protection, become part of the PADI AWARE movement and engage in conservation action for global impact.

This course is your chance to make a direct positive impact on the ocean, as a portion of your course fee contributes directly to the PADI Aware Foundation. PADI Aware assists with removing marine debris, securing protection for sharks & rays, as well as establishing marine protected sanctuaries and assisting local initiatives. At the end of your course, you will receive a PADI Aware Foundation limited edition photographic certification card.

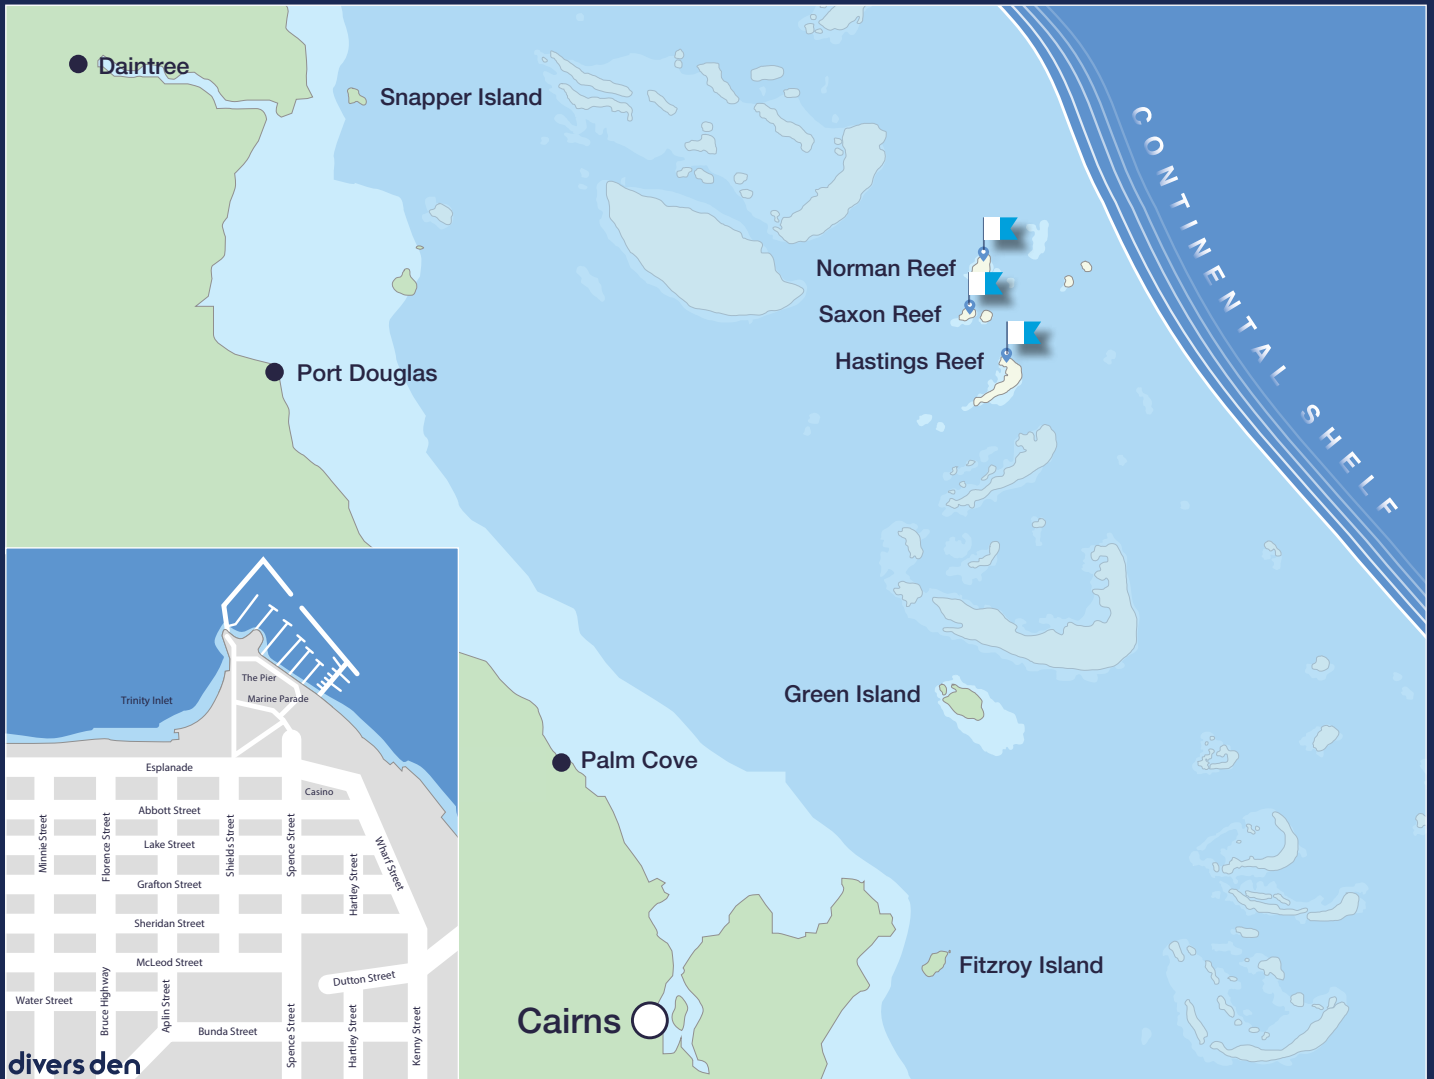

Medical Info

All over 45 years old scuba participants must meet medical questionnaire requirements. Some conditions or medications may prevent you from diving or require a dive medical. Visit diversden.com.au/can-i-dive for more information.

MEDICAL & ALTITUDE INFO

All introductory scuba participants must meet medical questionnaire requirements and some conditions or medications may prevent you from diving.

Queensland's code of practice on diving states that for a single no decompression dive, you should not fly/go to altitude for at least 12 hours, or 24 hours if divers have had multiple dives per day for several consecutive days, or have made dives that require decompression stops. Altitude is defined as 300m/1000ft above sea level. This includes going to the Atherton Tablelands (a popular local scenic attraction), so please be aware if booking tours to follow your dive trip. Under normal circumstances, you should be out of the water from your last dive of the day at 2:30 pm.

TERMS AND CONDITIONS

Prices are inclusive of GST and all fees, including the GBRMPA environmental management charge (EMC) which contributes directly to the management of the Marine Park. Learn more at gbrmpa.gov.au. 100% of the fee will be charged for cancellations received within 24 hours of the travel date. Reasons for cancellations include any factors beyond your/our control, such as medical issues or airline delays. Travel insurance is highly recommended.
